

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund.

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. I only use my phone for emergencies ONLY. That is why I bought a limited service phone. I cannot afford more.

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Vehemently, Nola Smith Provo Utah

Sincerely,

Nola Smith
